

# **GOWRIE Locomotive Trust CIO Boiler Appeal Donation Form**

**As you will have read in the Editorial and Financial Report you will have seen that we are currently out to raise enough money to fund the building of the new boiler for our locomotive. At the moment we have enough to pay for the deposit when the boiler is ordered, but this will only be 10% of the full cost. We still need to raise in the region of £90,000 so that we can make regular payments to the boilermaker. It is our wish that the boiler is completed within the next 2 years in order for the projected finish date of the locomotive to be achieved in the hoped for 3 years. If you are able to and have not previously done so, please sign up to give us Gift Aid on your donation.**

**All donations, large or small, are most welcome.**

**Donation Amount: £**
